Crown Worldwide (HK) Ltd

Crown Relocations is a division of the Crown Worldwide Group which was established in 1965. Over the years, Crown has learned the importance of providing services that go above and beyond packing and moving. Today, those who are managing relocation programs and those who are relocating themselves, need industry experts who understand the complexities of international relocations

and the nuances of domestic relocations. Crown's global team of almost 3000 professionals deliver a full range of relocation services ranging from program management, relocation policy consulting and expense management for relocation professionals to international and domestic transportation of household goods, online tracking, storage, transit protection, home and school search, intercultural services and a host of

departure and destination services for relocating employees, expatriates, diplomats and private customers.
