

A festive Christmas-themed photograph of two women in a modern office. Both women are wearing Santa hats and red, ruffled dresses. The woman on the left is wearing black boots and holding a long silver tinsel garland. The woman on the right is wearing white high-heeled shoes and holding a small pink and white party horn. The office background includes a wooden desk, a white office chair, and a wooden cabinet. The scene is decorated with white and gold balloons and tinsel. The text 'PEOPLE OF THE CITY' is overlaid in a stylized, bubbly font across the middle of the image.
